  4. Letter dated 12-1-2002 received from Shri Mahesh Sagun Mayenkar, member of the Board of Directors of the aforesaid society.

  7. Letter dated 15-1-2002 from Shri Kishor S. Borkar, Secretary of the aforesaid society.
  8. Letter dated 23-1-2002 from General Manager of the aforesaid society.
  9. Letter No. GSCB/I&A/2001-02/9094 dated 31-1-02 from the Acting Chief Executive, the Goa State Co-op. Bank Ltd., Panaji.

The Adarsh Multipurpose Co-operative Society Ltd., Margao is a Co-operative Society registered under the provisions of the Maharashtra Co-op. Societies Act, 1960 as in force in the State of Goa (hereinafter referred to as the 'said Act') and Co-operative Societies Rules, 1962 framed thereunder (hereinafter referred to as the 'said Rules') under the notification No. CON-20/Goa and classified as a Consumer Society and subsequently amended and classified as "Resource" society, to fulfil the objects as enshrined in the bye-law No. III (4) of the bye-laws of the society.

2. As per the provisions of bye-law No. IX(38) (39) a Board of Directors consisting of 9 members is required to be elected for a period of 3 years. The last election was held on 12-11-2000 and thereafter out of elected members, they are required to elect the Chairman, Vice-Chairman, Honorary Secretary and the Treasurer. The powers of the Board of Directors are to manage the day to day affairs, control & supervise the work of the salaried staff.

3. In the General Body Meeting held on 11-11-2001 it was found that a peculiar situation arose whereby the general body during the deliberations had opted to dissolve the existing Board of Directors and substitute the same by the team comprising of the General Manager alongwith other 5 staff members who are also the members of the society as per resolution No. 7 adopted in the Annual General Meeting to manage the day to day affairs of the society. It is a fact that though the general body is a supreme authority in terms of Section 72 of the Maharashtra Co-op. Societies Act, 1960, in force in the State of Goa, the decision taken by the General Body to dissolve its Board of Directors should have been brought to the notice of the Registrar for suitable action in the matter, instead of appointing a Team comprising of General Manager and other five staff members as a "stop gap arrangement" till the next special general body meeting which was decided to convene on 16-12-2001 to manage the affairs. Thus the decision taken by the General Body has no locus standi and therefore amounts to violation of the provisions of Act, Rules & Bye-laws of the society.

4. The main item on the agenda of the General Body held on 11-11-2001 was to adopt the new set of election Rules framed and to get the same approved from Asstt. Registrar of Co-op. Societies, South Zone, Margao. However the same could not be discussed due to the decision taken to dissolve the Board.

5. It is alleged that the present Board of Directors did not take any prompt action to improve the financial position of the society but on the contrary retrenched 8 staff members by paying them huge compensation out of the funds of the society and made fresh recruitment of 4 members in the newly opened Bank counters. This has caused loss to the society to the tune of Rs. 52,000/- during the last 8 months of its operation plus Rs. 28,000/- during current 7 months period, which is evident from the resolution No. 5 passed in the General Body held on 11-11-2001. It is also found that the Board of Directors failed to make any efforts for collection of the deposits and advances of the loan in the newly opened Banking counter which has resulted in causing further financial crisis by way of salaries and rent etc. The decision therefore for dissolution of Board of Directors appears to have been proposed by the General Body on account of chronic financial position of the funds faced by the society with exorbitant expenditure alleged to have incurred by the present Board of Directors. It is therefore with the prevailing chronic situation and malfunctioning of the society, the paid

employees and on the basis of resolution passed by the General Body on 11-11-2001 there is every possibility of culminating the situation with more and more chaos which is likely to hamper the business of the society and may come to stand still.

6. Based on the report submitted by Asstt. Registrar of Co-op. Societies, South Zone, Margao dated 20-11-2001 to the undersigned and after considering the said report and satisfying himself about the facts & figures reported in the said report, a show cause notice dated 31-12-2001 in terms of provisions of sub-section (1) of section 78 of the said Act and Rule 61 of the said Rule was served to all the members of the Board of Directors and the team of 6 members consisting of General Manager and 5 employees of the society appointed in the Annual General Body Meeting held on 11-11-2001 to show cause, in writing within the stipulated period mentioned therein from the date of issue of the notice, as to why, the present Board of Directors, should not be removed from the office and an Administrator or Committee of Administrators be appointed in their place to manage the affairs of the society. All the members on the Board of Directors were also called upon to appear before the undersigned for personal hearing which was fixed on 18-1-2002 and subsequently adjourned to 22-1-2002 with a view to give ample opportunity to the parties concerned of being heard of all the persons concerned fully and to provide them natural justice.

7. The members on the Board of Directors at Sr. No. 8 & 9 above in their written replies dated 8-1-2002 and 12-1-2002 respectively stated that the Board was dissolved by the Annual General Body Meeting due to arrogant nature and mismanagement by the Chairman. Further, it is stated that the decisions of the other members on the Board of Directors were not taken into consideration in the interest of the institution and requested to take appropriate action in the interest of the society.

8. The other members on the Board of Directors at Sr. No. 1, 2, 4, 5, 6 & 7 have filed their joint reply dated 15-1-2002 and denied all allegations made by the Annual General Body Meeting stating that the resolutions are misleading and baseless. However they have not substantiated the facts by documentary evidence. The above members on the Board of Directors opposed for the appointment of an Administrator or Committee of Administrators to manage the affairs of the society.

9. The member at Sr. No. 3 furnished his written reply stating that due to personal interest of some members the General Body Meeting opted for dissolution. However, he had accepted that the present board has not collected any deposits in the interest of the society.

10. The detailed written reply has also been filed by Shri Ramesh Naik and five other employees of the society who were appointed by Annual General Meeting in its meeting held on 11-11-2001 to manage the affairs of the

society in place of dissolved Board of Directors. In the reply it is stated that the society has sustained loss to the tune of Rs. 1.15 lakhs due to heavy expenditure incurred on newly opened banking counters, purchase of heavy stationery & deadstock. Shri Naik has also forwarded the copies of statements of Accounts upto 31-10-2001 in support of his say.

It is also stated by Shri Naik that the Board of Directors have terminated the services of 8 employees and appointed 4 new employees which were not required and the business of the society could have been managed with the available staff on account of which the society has sustained loss. The employees have further requested this office to take appropriate action to safeguard the interest of the institution.

Shri Ramesh G. Naik, General Manager of the society vide letter dated 23-1-2002 in regard to the proceedings of the special General Body Meeting held on 16-12-2001 stated that the meeting has been convened without following proper procedure such as issue of notice etc. to all the members of the society as required under bye-laws of the society and therefore, it cannot be said that the meeting was legally held. Moreover, he also stated that the meeting was not held in the premises of the society and the same was held on road in which who attended the meeting are mostly the relatives of the members of the Board of Directors which is dissolved in the Annual General Body Meeting held on 11-11-2001. He further stated that the team of 6 members appointed in the Annual General Body Meeting held on 11-11-2001 have no objection to dissolve the existing Board of Directors including the said team of 6 members appointed by the General Body held on 11-11-2001 and to appoint an administrator or Committee of Administrators to manage the affairs of the society.

11. Taking into consideration the report dated 20-11-2001 submitted by Asstt. Registrar of Co-op. Societies, South Zone, Margao and the written replies filed before me and arguments made by the parties, I come to the conclusion that the differences amongst the existing Board of Directors and 6 members of the team appointed by Annual General Body Meeting held on 11-11-2001 can no more be resolved amicably so that the society could be brought on the lines of smooth functioning and be saved from the verge of collapse.

12. The Goa State Co-op. Bank Ltd., Panaji which is a federal institution has also been consulted in the matter and it has informed by the bank that they have no objection for appointment of an Administrator.

I am, therefore, satisfied that there is no alternative but to remove the existing Board of Directors of the society and team of six members appointed in the Annual General Body Meeting held on 11-11-2001 and appoint an Administrator to manage the affairs of the society in the interest of the society, its members and creditors and also to hold the election afresh at the earliest, so that the management of the society is

entrusted to the democratically elected Board of Directors for smooth functioning of the society and to save the society from verge of collapse. I am therefore, inclined to pass the following order:-
